product related queries

Caution

This product contains small items that could be a choking hazard if swallowed. Keep these items away from young children.

Make sure these instructions are read and completely understood before attempting installation. If you are unsure of any part of this installation, please contact a professional installer for assistance.

Please make sure all installed equipment are securely placed on the table, and not sticking out of the edge, or it may harm or cause damage.

Nylon ties help make the cables tidy and clean. Please leave enough length of cable for height adjustment function, otherwise it is likely to harm or cause damage.

Please make sure you adjust the table to the highest point when removing equipment to avoid harm or damage.

Do not place hands near the strut. Strut's angle will change during the desktop lifts and it may hurt you.

Please check joints every two months, making sure the screws are not loose.

Note: this product is intended for indoor use only. Use of this product outdoors could lead to product failure or personal injury.
