## Outstanding audio quality

with Philips transcription headphones

The lightweight under-the-chin style headphones with dual sound system are designed to deliver excellent sound quality, with soft ear cushions for wearing comfort, and a hanging bracket that attaches the headset to a monitor.

### Superior audio quality

- A 14 mm speaker driver optimizes high audio quality
- Gold-plated plug ensures an ultra reliable connection
- Neodymium magnet enhances sensitivity and sound quality

### For optimal results

- Lightweight design improves comfort for prolonged use
- Under chin style to fit all ears for better comfort
- 3 meter/10-foot cable for freedom to move about your work area

**PHILIPS**  
sense and simplicity

- Weight: 100 g/3.5 oz.

## Accessories

- Philips USB audio adapter LFH9034

# Highlights

## 14 mm speaker driver

Small enough for optimum wearing comfort, yet large enough to deliver crisp, non-distorted sound, the 14 mm speaker driver is the ideal size to deliver high quality sound.

## Gold-plated plug

The precious-metal gold finishing on the plug will produce a more reliable connection for better audio quality.

## Neodymium magnet

Neodymium is the best material for producing a strong magnetic field for greater sensitivity and higher overall sound quality.

## Lightweight design

The durable, lightweight quality materials enhance comfort for extended wearing.

## Under chin style

Designed for an under-the-chin fit for better comfort.

## 3 meter/10-foot cable

The 3 meter/10-foot cable gives you the freedom to move around your work area without having to remove the headphones.
