

Zens 4-in-1 Wireless Charger (incl. Apple Watch Charger)

This 4-in-1 wireless charger is the ideal charging solution to keep your Apple devices charged at all times. The dual charger can wirelessly charge 2 devices simultaneously and the built-in Apple Watch module recharges the Apple Watch in sleep mode.

Product description

In the built-in Apple Watch holder you can easily integrate the Apple Watch MFi charging cable (included). Connect it to the USB-A port on the back of the charger and place your Apple Watch on the charging module to start charging. The built-in USB-A port on the side of the charger allows charging a fourth device, like your iPad or any other USB-A powered device.

The charger is made out of high-grade aluminium and comes with a 45W USB-C PD universal power adapter.
