

Zens 4 in 1 Stand+Watch Wireless Charger Aluminium

This 4 in 1 charging station is the ideal solution to simultaneously charge all your Apple devices. It charges an iPhone, AirPods, Apple Watch and fourth device at the same time.

Product description

The stand wirelessly recharges an iPhone in portrait position to make sure no calls or notifications are missed out on. The charging surface wirelessly charges the AirPods while the detachable MFi certified Apple Watch stick charges the Apple Watch in sleep mode. Through the integrated USB port a fourth device can be charged.

The charger has a 20W output with Apple and Samsung Fast Charge, a sleek aluminium design and comes with a power adapter.
