

Zens Modular Stand Wireless Charger Main Station

The Stand Main Station is the perfect base to start your modular combination with. It keeps your phone charged in portrait position at the perfect angle to ensure you never miss any notifications or calls.

Product description

With a 15W output, Apple & Samsung Fast Charge and a design crafted from recycled plastics, it recharges both your device and the environment.

Its easy magnetic connection and powerful 65W power adapter, empower you to simply add up to 4 extensions to maximise your space.

With the Modular Series, you are given the freedom to connect and create. Take control of charging your devices and simply adapt and build to create your ideal charging combination.
