# Zens Dual+Watch Aluminium Wireless Charger – White

The Dual+Watch Aluminium Wireless Charger has an ultra-thin design that is made out of one piece high-grade aluminium and is designed to (fast-)charge two devices and an Apple Watch simultaneously. The charger supports Apple and Samsung Fast Charge and has a 20W output to support triple device charging.

# Product description

The non-slip finish ensures perfect placement and the ultra-thin design seamlessly fits in any home or office. It is the ideal wireless charger for at home if you have multiple wirelessly rechargeable devices or to share with your loved ones.

The charger works with all Apple Watches (series 1, 2, 3, 4, 5, 6, SE, 7); even an Apple Watch with a closed metal band can seamlessly be charged on the MFi certified watch module.
