Multiple Ports

Power Multiple Devices

Lightweight & Portable

# Power the big stuff.

Packing a 300W (600W surge) output you can power laptops, tablets and even projectors with ease.

# Fast, convenient charging.

Looking for a power source that charges faster than a powerbank? Go from 0-80% in 1 hour using a standard plug socket. If you're on the road add juice using solar or by connecting it to your car.

# All the ports you'll need.

Designed to charge several devices at once. RIVER mini comes with an AC wall outlet, DC car outlet, 3 USB-A slots and a USB-C rapid-charging port so you can keep multiple devices charged, powered or both. If you're getting the wireless model, you'll have all of that and a wireless charging pad.

# Take hold of power.

RIVER mini is a portable, powerful power source that you can pick up and take on your outdoor adventures without breaking a sweat.

# Built with safety at its core.

The sophisticated battery management system regulates current, temperature and voltage so you can rest assured your RIVER mini will work safely for years to come.

# Ground-breaking charging speeds

Simply plug your RIVER mini into a standard wall socket and charge to full in just 1.5 hour.

# Charge on the road.

Need to add juice whilst you travel? Link up your RIVER mini to your car and get a full charge in 3.5 hours.

## AC Charging

Charge from AC wall outlets in 1.5 hour.

## Specs

Net Weight

Approximately 2.85kg

Capacity

210Wh

AC Input

220-240V~ 50Hz/60Hz, 1.4A Max

Wireless Output (Only for RIVER mini Wireless)

15W Max

USB-A Output

5V 2.4A

Cell Chemistry

NCM

Discharge Temperature

-20°C to 45°C

Optimal Operating Temperature

20°C to 30°C

Shelf Life

1 year (after a full charge)

Dimensions

24.9\*14.0\*13.3cm

DC Input

11-39V 100W, 8A Max

AC Output

Pure Sine Wave, 300W total (Surge 600W), 230V~(50Hz/60Hz)

USB-C Output (Only for RIVER mini Wireless)

100W, 5A Max

DC Output

12.6V 10A

Cycle Life

80%+ capacity after 500 cycles

Charge Temperature

0°C to 45°C

Storage Temperature

-20°C to 45°C
