

SCHOOLMATE CLASS PACK

Frameless double-sided boards with marker, eraser and cleaning spray

DESCRIPTION

The Schoolmate Classroom Pack features the Frameless Laptop Non Magnetic Mini Whiteboard as the centerpiece. Designed to improve the learning experience, this A4 whiteboard offers double writing areas, providing space for drawing and writing. The Frameless Lapboard facilitates active participation encouraging students to answer questions and engaging in voting tasks. The whiteboard is a platform for fostering confidence, especially for shy individuals, by creating a supportive environment for expression. The dry wipe surfaces allow students to explore ideas, make corrections, and start fresh without fear of judgment. The lightweight and portable design, coupled with frameless round edges and corners, ensure a safe learning environment. The Schoolmate Class Pack includes essential accessories for a seamless educational experience: markers, erasers and a cleaning spray.
